reporting 20

January 21, 2010

TO: CALIFORNIA STATE LEGISLATORS

RE: PARKING AND SHUTTLE SERVICES

LOS ANGELES INTERNATIONAL AND ONTARIO AIRPORTS

Fair Political Practices Commission (FPPC)

IMPORTANT

We've revised and updated the letter sent to you on January 19, 2010, regarding the reporting of airport and shuttle services. The information below replaces part of the letter.

"Pursuant to Government Code section 89506(a)(2) and FPPC Regulation 18950.1(b), the City of Los Angeles files a Quarterly Employer of Lobbyist Report with the Secretary of State. This report, in part, details the value of all payments made to State legislative or administrative officials during the reporting period. In accordance with this obligation, the City has been reporting the names of the State officials who have used the parking and shuttle services available at Los Angeles International and Ontario Airports.

Fair Political Practices Commission (FPPC) has advised that the airport parking and shuttle service that have been provided by the City of Los Angeles to legislators and other California elected officials for use in connection with official government business is not subject to the \$420 calendar year gift limit. The officials who receive the airport parking and shuttle service must report the value of that benefit on their Form 700 (it is reported on Schedule E, which is the travel payments schedule). This assumes that the officials use the parking privileges only for official state business. The link to the FPPC's fact sheet on the restrictions on gifts, honoraria, travel and loans for state officials can be found at http://www.fppc.ca.gov/factsheets/1-09/state-bds-comms.pdf (pertinent portion of the fact sheet from pages 7-8). If an elected official were to use the parking for personal purposes, the value of the personal use would be a gift that is subject to the annual gift limit, currently \$420 per year. You may reimburse the City in the actual amount of the shown charge if you so choose. Please make checks payable to the City of Los Angeles."

If you have any questions please call Dora Ogunnaike in the Mayor's Office of Legislative and Intergovernmental Relations in Sacramento at (916) 321-5500.

Dear Assembly Member Lieu:

Pursuant to Chapter 6, Section 86109 of the Political Reform Act of 1974, the City of Los Angeles files a Quarterly Employer of Lobbyist Report with the Secretary of State. This report, in part, details the value of all payments made to State legislative or administrative officials during the reporting period. In accordance with this obligation, the City has been reporting the names of the State officials who have used the parking and shuttle services available at Los Angeles International and Ontario Airports.

This information is being provided in order to assist you with one reporting aspect of your Statement of Economic Interests.

From January 1, 2009 to December 31, 2009 our records indicate the value of your usage of the above-mentioned services amount to a <u>cumulative total of \$600.00</u>.

We have been advised by the Fair Political Practices Commission that the amounts up to \$390.00 may be considered a gift reportable to the commission. You may reimburse the City in the actual amount of the shown charge if you so choose. If so, checks should be made payable to the City of Los Angeles.

If you have any questions or if your records do not agree with ours, please call Dora Ogunnaike in the Mayor's Office of Legislative and Intergovernmental Relations in Sacramento at the (916) 321-5500.

Re: Reportable Gifts from Democratic Caucus Summit for 2009 Reporting Year

Below is the list of events for the 2009 Democratic Caucus Policy Summit in Sacramento. This information is provided to you for the 2010 gift reporting.

The "Value" column on the chart below notes the value of the gift you received. Gifts totaling \$50 or more in a calendar year from the same donor are reportable on your FPPC Form 700 for that year. According to FPPC guidelines, if you do not want to accept the gift, you have 30 days after the date you received the gift to repay the donor. Payment should be made to the donor directly, and the deadline to repay the donor for this event is February 8, 2009. Please review the chart for accuracy.

If you would like additional information regarding the specifics of any of these gifts or find a discrepancy, please contact Krista Gibson of my staff at (916) 319-2046. Thank you

RE:

Gift reporting and the Bash

Thank you for coming to the California Tribal Business Alliance's fourth Back-to-Session Bash January 14, 2009. We hope you had a good time.

For purposes of reporting in your Statement of Economic Interests, you may wish to know that the individual value of the Bash was \$88.77 per attendee. Remember, this is not for the report you will file shortly. It is for the report you will file next year.

We tried as best we could to identify only those attendees who are required to report gifts under the Fair Political Practices Act. If you receive this letter, and you are not covered by the FPPA or have other reporting issues, please call 244-8561 by March 25 and ask us to take you off the reporting list.

Also, as you may recall, we pledged to make a contribution of \$4 for every Bash attendee to the Roberts Family Development Center in North Sacramento, a marvelous program for local kids offering childcare, afterschool tutoring, a computer lab, summer enrichment programs, and adult literacy classes. Thanks to your attendance, we donated \$4,000 to the Center.

Thanks.

Assemblymember and Chief of Staff -

You are receiving this email because the Assemblymember attended a reception on 1/28/2009 at the Citizen Hotel that must be reported as a gift on the Assemblymember's Form 700 that is due March 1, 2010. Because the cost of these events was split among multiple organizations (including Calif. Assn of Winegrape Growers, Kern County Water Agency, California Council for Environmental and Economic Balance, etc.), and no single organization paid \$50 or more toward the per-person cost of the events, the gift notification letters have not clearly indicated the total amount of the reportable gift to the public officials who attended these events. The event in question is:

Date: 1/28/2009

Source of Gift: 13 Natural Resource and Environmental Entities

Value: \$86.54 per person

Description: Reception at Citizen Hotel

For your convenience, the above information is included on the attached page of the Form 700, Schedule D.

Dear Assembly Member Lieu:

On behalf of Steve Feely, Denise Ruggiero, Jeff Sauls, Don Lee, John Weaver, Charles Dabelgott, and Kirk Tweedy, thank you for joining us for dinner in conjunction with the Farmers California Legislative Conference. We enjoyed your insights on the current housing and mortgage crisis, and the legislation you are pursuing to assist homeowners. Your willingness to discuss broader political reforms was also refreshing.

We were very pleased that your participation helped contribute to a very successful Conference, with close to 1,000 in attendance, great speakers and enthusiastic agents and employees interacting with their legislators. It was particularly rewarding to hear Insurance Commissioner Steve Poizner, when discussing Farmers response to the 2007 wildfires, characterize Farmers as being "...in a class by itself."

Again, thanks for your valuable participation, and I look forward to working with you in the future.

Sincerely,

Jeff Dailey Executive Vice President & President of Farmers Personal Lines

RE: 2010 Calendars from CAHF-New Information

The Honorable Members of the California State Legislature:

This is to inform you that the California Association of Health Facilities **WILL NOT** be reporting the 2010 calendars previously sent to your office on December 14 and which were the subject of a second letter at the end of December.

On further research, we have determined in fact the calendars come under the exemption allowed for informational material as specified in Sections 18942 (1) and 18942.1 (a) of the CA Code of Regulations (FPPC) and Government Code section 82028. Definition of "Gift" (b) The term "gift" does not include: (1) Informational material such as books, reports, pamphlets, <u>calendars</u>, or periodicals.

I apologize if our previous letter has caused problems for your office. We will carefully scrutinize any such actions in the future.

Please feel free to contact me or Peggy Goldstein of my office for further information or questions in this regard.

Sincerely

James H. Gomez, CE Ssident
